

# Pella® Windows & Doors of South Carolina

## Pride and Craftsmanship Reflected In Every Detail

Ensuring the complete satisfaction and happiness of homeowners has always been priority number one since day one for Pella® nearly a century ago. Today, this tradition of excellence continues at Pella of South Carolina. They opened their doors 44 years ago to serve customers throughout the Columbia and Charleston metropolitan areas and look forward to helping you at every step of your project.

Pella windows and doors are assembled right here in America, and their product designs are tested beyond industry requirements for craftsmanship and durability that exceeds your expectations.

Pella® patio doors help brighten any room.

### Exceptional styles. Extensive selection.

Contemporary or traditional. Bold or neutral. Pella has the colors, finishes and hardware options to match your style and budget. Pella expert

Pella® Lifestyle Series provides optimal sound control.

design reps can even help you create a custom design to fit your unique space.

### Options to suit your home and your budget.

Pella is one of the few companies that offers you the choice between wood, vinyl, and fiberglass materials, in addition to diverse styles from picture windows and casement to double-hung and more.

### Pella® Lifestyle Series

Style. Durability. Performance. You can have it all with Pella Lifestyle Series. Our windows and patio door for the combination of energy, sound and value.

Pella® vinyl windows are high-quality, low maintenance.

### Pella® Reserve™

From historic touches to sleek designs, homeowners love the authenticity and uncompromising attention to detail of Pella Reserve wood windows.

### Pella® Architect Series®

When your home calls for custom craftsmanship, Pella Architect Series wood

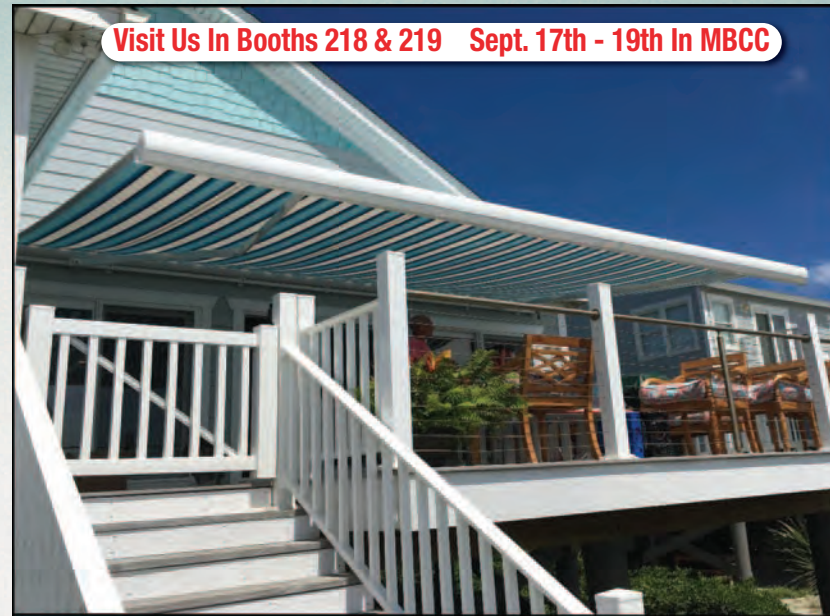

windows offer virtually unlimited design choices with unique sizes, grille patterns and exterior colors.

### Pella® Impervia®

Designed with a proprietary fiberglass material, Pella Impervia is made from the strongest window material available. In fact, their exclusive fiberglass is on average 10x stronger than Andersen Fibrex in a bend test.

Pella® Impervia® windows deliver strength and durability.

### Pella® 250 Series

Pella 250 Series vinyl is a popular window choice and it's easy to see why. Their exclusive formula is performance-tested to withstand extreme weather conditions and resist fading, so

Pella® Hurricane Shield Series™ provides unwavering protection.

you'll never need to paint, stain or refinish.

### Pella® Hurricane Shield Series™

Protect your home and everything inside with Pella Hurricane Shield Series windows, engineered to withstand hurricanes and the most stringent coastal requirements.

### Enjoy southern comfort 24/7.

South Carolina's weather can be unpredictable. Thankfully, Pella® windows can help keep your family and friends comfortable rain or shine.

- Available dual- or triple-pane glass with insulating gas provides exceptional energy efficiency and sound resistance
- Low-E glass coating can help keep your home warmer in the winter and cooler in the summer

### Peace of mind from start to finish and beyond.
