

Emser Tile

Producer Of Some Of The World's Finest Tile & Natural Stone

Today the drive to renovate transcends seasonality. In other words, any time is the right time to plan your next project!

Our homes have transformed even more deeply into destinations where we live, work and play and where we desire surroundings that comfort, inspire and bring joy,

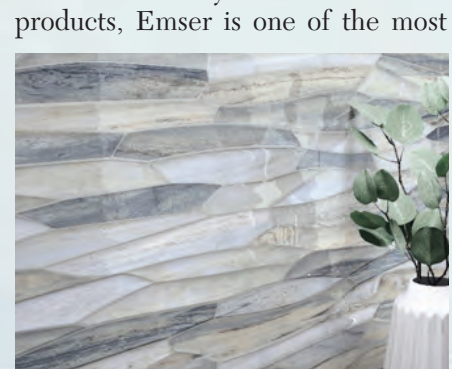

Serendra™ from Emser Tile

The addition of tile and stone is an option for essentially every space within a home and is available at a range of price points. Whether you are considering updating your great room, adding a backsplash, rejuvenating outdoor environs or upgrading a shower, these materials are known for their durability, unique veining and textures, and playful color patterns.

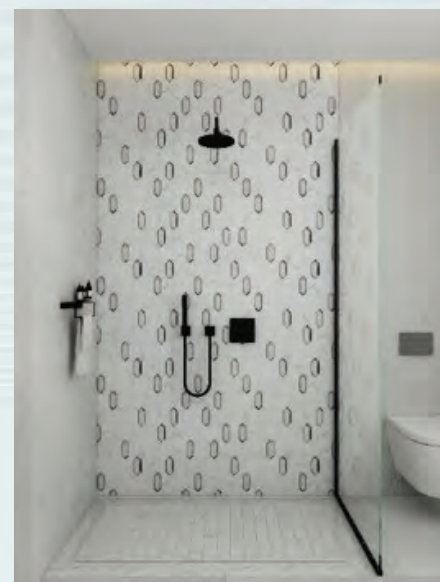

Made with naturally occurring materials, ceramic and porcelain tiles

are easy to clean, resistant to moisture, hypoallergenic, and offer a longer life. This makes tile an ideal sustainable choice as a strong foundation for current design trends.

One convenient resource with expertise to match: Established in 1968, Emser Tile, headquartered in Los Angeles, is the leading designer, marketer and producer of the world's finest tile and natural stone. By offering unparalleled service and a dynamic selection of

Kudos™ from Emser Tile

comprehensive sources for interior and exterior products that include porcelain, ceramic, metal, glass, quarry, decorative accents and mosaics, cut-to-size stone, setting materials, and custom manufactured products made to your specifications.

Explore what to expect in 2022 with one of our favorite design directions: **Classic Luxe.**

Bold contrast adds elegant drama to any setting while creating a cozy luxurious atmosphere. Marble looks with rich organic movement continue to evolve as this timeless material elevates space with a striking statement. Rooms becomes luxe and layered with the addition of sleek wood patterns and fluted surfaces, rich metallic finishes and striking tile shapes and sizes.

Parkview™ from Emser Tile

Marble is one of nature's most precious natural resources and can give any home a luxurious and prestigious feel. Contemporary marble looks feature striking contrast, heavy veining, and bold colors to create an unforgettable appearance.

The beauty of tile is in its versatility, which includes standout shapes. Rhythmic patterns and nostalgic shapes often inspired by retro looks create unique and dynamic statements for both walls and floors.

Immerse™ from Emser Tile

And don't forget, it's good to be bold! Go big when you go home. Classic Luxe makes a statement

inside... and out. Outdoor projects emphasize the elements of comfort, style and safety, as more individuals look to entertain, exercise and relax in the open air. Our outdoor retreats provide an extension of interior living and working spaces, as the blurring of lines between interior and exterior

environments continues. When choosing materials for your next renovation project consider tile and natural stone. Emser Tile offers a variety of options to create one-of-a-kind looks that will complement the way you live today.
