

Lioher Kitchen Cabinetry

LIOHER Corp, offers high quality furniture components with the vision of becoming the one-stop shop for the professionals in the kitchen & bath industry.

Since its founding in 2010, Lioher has geared itself into offering a big range of products and solutions:

- The best kitchen box on the market, the AQUABOX, which is antibacterial treated, moisture resistant, has a linen finish, and is currently the market's standard for high end contemporary kitchens.
- Two different cabinet programs which covers most of our

- Modern and technologically advanced boards in stock: the LUXE, ZÉNIT and SYNCRON.

- professional clients needs: Stock and Custom.
- A Network of production and

distribution facilities in USA with stock processing machinery, logistics, and full equipped showrooms for a better service to our professional clients.

Today we are developing new products and service, along with the integration of the newest technologies, both in manufacturing and software.

Lioher offers an integral selection of panels that include High gloss (the LUXE by ALVIC panels), Supermatt (the ZENIT panels) and texture (the Syncron panels). This range of over 150+ options, offers endless applications on cabinetry, vanities as well as other applications.

High Gloss Finish with a Mirror Effect

The LUXE collection is the result of applying the latest generation of materials with the most advanced technology in lacquered surfaces.

The LUXE surface provides a High Gloss finish and the highest scratch resistance in the industry, paired with a clean and spotless mirror effect.

The LUXE collection incorporates an attractive range of solid colors, wood grains, textiles, metallics and special designs. These designs can be applied in the kitchen & bathroom, as well as in interior design and commercial projects, achieving a luxurious modern look.

The ZÉNIT collection is the result of our continuous improvement in lacquering technology and years of R&D+I.

The ZÉNIT surface offers a deep supermatt surface with a silky feel together with an extraordinary resistance to abrasion.

The ZÉNIT collection comes with a complete range of solid colors, with or without metallic particles, and elegant designs such as the marbles. These designs provide a contemporary look

aspect in the thermos fused melamine board production.

The SYNCRON surface provides realistic texture designs with several options for registered finishes, meaning a complete match between texture and design.

The SYNCRON collection offers a deep and complete range of wood grains, stone, marble, textiles, leather, concrete, and oxide finishes that provide a natural and organic feel to any furniture element or commercial project.

into kitchen & bathroom applications as well as in interior design and commercial projects.

The SYNCRON collection is the result of our vertical integration in manufacturing and control of every
