

# Eclipse Premier Shading System

## Uniquely Designed

### Custom Built to Your Specifications

Every Eclipse shading system is custom made and professionally installed by our independent dealers to meet your individual requirements. The Eclipse Premier is available up to 40' wide with projections up to 13'. Eclipse components meet stringent ISO 9001 and TUV standards and are assembled in the USA by skilled craftspeople.

MIAMI-DADE COUNTY  
APPROVED  
NOA# 20 - 124.02

### Truly the Industry Leader

Eclipse Premier Arms:

- The Eclipse brand exclusive ABT arm belt is hidden – clean finished look
- 21% more arm tension than our Eclipse model – stronger,

tighter fabric

- Tested to 72,000 cycles – 20% more expected life than the Eclipse model
- Thicker, contoured arm profiles – reduced arm deflection
- Sealed dual ball bearing elbows with a larger radius curve – smoother operation and better arm tension

### Motorized for Easy Use

Your Eclipse Premier features a UL listed motor from Somfy, the world leader in home automation. You can operate your shading system with a wireless wall switch, a hand held remote, from your

smart device ... or from all of these! The increase the usefulness and effectiveness of your shading system,

plus add a level of protection, Eclipse also offers sun sensors and motion sensors.

### Mounting and Fabric Protection

The Eclipse Premier can be ordered 3 ways:

- With a fully exposed rolled up fabric referred to as an "Open Roller" – typically for under soffit mounting
- With a protective Standard Hood for wall mounting
- With a Semi Cassette providing full fabric protection for any mounting application – we recommend this option especially for roof mounting

### THE NEXT GENERATION IN SHADING

#### Delivering Value

The Eclipse Premier is the upgraded, "Gold Standard" of our Eclipse model, our most popular unit. The Premier offers the latest key product enhance-

ments to ensure a long lasting, trouble free shading system. The Premier is confidently backed with our extended Platinum Protection Warranty package included at no additional cost.

### Elegant Performance

The Eclipse Premier features components that provide a refined, finished look while adding strength and durability to the system. The aluminum powder coated torsion bar has been upgraded to a stronger, thicker wall profile to increase unit rigidity. The retractable arms are where you'll notice the greatest improvements. These arms feature larger arm profiles, a concealed heavy duty arm belt, sealed ball bearings at the elbow and an overall contoured designer shade.

### PRODUCT OPTIONS

#### Drop Shade

Add even more solar protection while increasing your privacy with the Eclipse Drop Shade. This option features an open mesh, sun screen fabric that extends down from the front bar over the width of the awning. The Drop Shade is self storing and can be motorized or manually operated. This option is not available with the Semi Cassette.

### LED Lighting Options

Add a unique element to your evening entertaining with lighting options.

An LED option is available with light strips applied to the arms of the awning (dealer installed). This UL-listed LED light kit offers 16 levels of light in either warm (3000K) or cool (6000K) lighting and can be controlled with the same multi-channel remote/transmitter or multi-channel wireless wall switch. Research suggests that warm lights attract less bugs.

### Electronic Accessories

Our world class wireless components make operating your shading system effortless.

- Wind/Motion Sensor: This accelerometer sensor attached to the awning's framework will retract the unit if it gets too windy – adding a level of safety and security.
- Sun Sensor: This sensor, typically mounted to an exterior wall, will automatically extend the awning once the preset sun level is attained, and will automatically retract your shading system when the sun passes.
- TaHoma: With TaHoma®, create scenarios to link your connected devices and activate them with just a click on your smartphone!

the elements and increase your level of security with the Semi Cassette option.

Note: 13' projection requires 3'3" minimum pitch/drop.

### Hardware to Match Your Décor

Eclipse offers four architecturally pleasing colors to either match or accentuate your home. The colors to choose from are White, Camel, Granular Black or Spartan Bronze. Our pretreated powder coated finishes are second to none in durability and appearance.

### Sunbrella Shade Fabrics - From Serene to Stunning

Eclipse offers a wide array of long lasting, fade resistant, 100% acrylic fabrics from Sunbrella. The Sunbrella Shade fabrics are specifically made for heavy duty applications such as retractable awnings. Each fabric cover is computer cut, has ultrasonically sealed edges, and is sewn with Tena thread to provide a full 10 year warranty on the fabric & the seams. Make a bold statement or blend harmoniously to your home's décor...whatever your choice, we have the fabric for you.

### Platinum Protection Plus – An Added Level of Security

Looking for a lifetime warranty on your complete shading system – from frame to fabric, motor and electronics? Then the Platinum Protection Plus is for you. Ask your dealer for complete details.
